Maker Faire is the Greatest Show (and Tell) on Earth

– a family-friendly showcase of invention, creativity and resourcefulness, and a celebration of the Maker movement. It's a place where people share what they are making and learning.

At a **Maker Faire**, you can find everything from tech enthusiasts to crafters, educators, tinkerers, hobbyists, engineers, artists, start-ups science clubs, students, authors, and commercial exhibitors. There is something for everyone, including:

- Balloon Sculptures
- Robotics
- Sewing
- Cardboard
- Soldering
- CNC machines
- 3D printers
- VR Headsets
- Crafts
- Costumes
- Board & Computer Games
- Take-It-Apart area
- Performances
- + 100's more

Makers are of all ages and backgrounds. Maker Faire's mission is to entertain, inform, connect and inspire these thousands of Makers and aspiring Makers.

2016 marks the third anniversary of the Rochester Mini Maker Faire. The faire is organized and supported by NYSCATE (The New York State Association for Computers and Technologies in Education)
