Convention Center**

STEAM FEST SPONSORSHIP OPPORTUNITIES

Help support Maker Faire Rochester's 3rd Annual Student STEAM Fest. It's a special sneak peek of Maker Faire Rochester for students in grades three to eight. The day is filled with hands-on activities, engaging demonstrations, wonder, & excitement centered around S.T.E.A.M and every aspect of the Maker Movement.

Family Education Bundle

Send a class of 25 low income 3rd to 8th grade students to the Student S.T.E.A.M. Fest AND we will match your gift by providing free family passes for each student to return with their Families to Maker Faire Rochester the next day.

Sponsorship amount is \$250 per class.

Student Soldering Workshop

Help us provide a memorable learning experience by sponsoring the soldering workshop to make it free for all students attending the Student S.T.E.A.M. Fest.

Sponsorship amount is \$1500.

Hands On Activities Sponsor

Help us engage students with impactful and memorable learning experiences by providing funds needed for materials and supplies.

Sponsorship amount is market value.

Student S.T.E.A.M. Fest Lunch Sponsor

Provide lunch to 1200 hungry students, teachers, and chaperones.

Sponsorship amount is \$6000.

Grades 3-8

Custom Sponsorship or Directed Sponsorships

Work with our team to design and implement a sponsorship package that can be mutually beneficial.

Please email us to discuss these opportunities at rochesterfaireinfo@gmail.com.

About Maker Faire Rochester

Sponsoring Maker Faire Rochester and/or our Student STEAM (Science, Technology, Engineering, Arts, & Mathematics) Fest is a unique opportunity to support our creative community and will help us bring Maker Education and STEAM to school students from across Western New York. As a sponsor, you will reach thousands of people, along with hundreds of students, in your target market with your message.

Maker Faire is the Greatest Show (and Tell) on Earth—a familyfriendly showcase of invention, creativity, and resourcefulness, and a celebration of the Maker movement. It's a place where people share what they are making and learning. Makers range from tech enthusiasts to crafters, educators, tinkerers, hobbyists, engineers, artists, science clubs, students, authors, and commercial exhibitors. They are of all ages and backgrounds. Maker Faire's mission is to entertain, inform, connect and inspire these thousands of Makers and aspiring Makers.

2023 marks the **8th** anniversary of the Maker Faire Rochester. The faire is organized and supported by NYSCATE (The New York State Association for Computers and Technologies in Education), an organization of over 20,000 dedicated technology-using educators and administrators. NYSCATE is committed to transforming teaching and learning, in order to provide our children with an education that prepares them to live satisfying and productive lives. This goal is exemplified by the Maker Movement, and it is NYSCATE's hope to bring this love of learning, imagination, and creativity to the larger community.
