Maker Faire Rochester: A Celebration of Creativity and Innovation!

Date: Saturday, November 21, 2026

Time: 9 AM to 5 PM

Location: Gordon Field House, Rochester Institute of Technology

Rochester, NY – Maker Faire Rochester is back! A mainstay on the Rochester festival calendar since 2014, this fun-filled day brings together a vibrant community of makers, creators, and innovators for inspiration and hands-on fun! Join us on Saturday, November 21, from 9 AM to 5 PM at the Gordon Field House on the RIT campus. As always, numerous makers will be showcasing their unique creations; this year's Faire promises something for everyone—no matter your age or interest.

This year, Maker Faire Rochester is excited to announce our new partnership with Rochester Makerspace! A non-profit in the City of Rochester since 2013, the Makerspace is pleased to provide financial oversight and operational assistance to the event.

"We are delighted to bring Maker Faire Rochester under our wing," said Jeff Fabiny, Executive Director of Rochester Makerspace. "The missions of both organizations align perfectly in our commitment to the maker community. We look forward to joining together to support and expand this annual event."

From cutting-edge robotics and cosplay to traditional folk arts and engaging STEM activities, Maker Faire Rochester is the perfect place to explore the creative spirit that drives our community. Attendees can look forward to interactive exhibits, demonstrations, and the chance to meet and learn from talented makers passionate about their crafts.

Event Highlights:

- **Diverse Maker Exhibits:** Explore a wide range of creations, including crafts, robotics, 3D printing, board games, cosplay, and much more.
- **Interactive Activities:** Participate in dozens of hands-on activities and demonstrations that engage all ages.
- **Maker-Vendors:** A carefully curated group of vendors will have items for sale.

- **Free Parking:** Convenient free parking is available on the RIT campus for all attendees.

Whether you're a seasoned maker, a curious beginner, or just looking for a fun family outing, Maker Faire Rochester is the perfect destination. Don't miss this opportunity to connect with fellow creators, discover new interests, and be inspired!

Tickets & More Information:

Admission details and more information about the event can be found at [Rochester Maker Faire](https://rochester.makerfaire.com/) (<https://rochester.makerfaire.com/>)

Join us for a day of creativity, innovation, and community! We can't wait to see you there!
